

REMARKS

This Preliminary Amendment is submitted to add the sequence listing into the specification and to present claims directed to SEQ ID NOS: 35-41 as supported by Figure 10. The substitute specification is submitted to correct typographical errors. Under 37 CFR 1.125(b), the substitute specification does not include any new matter and a marked-up and clean copy are provided. Accordingly, no new matter has been added by this preliminary amendment and it is respectfully requested that the amendment be favorably examined and entered in the above-referenced application.

AUTHORIZATION

The Commissioner is hereby authorized to charge any additional fees that may be required for this Amendment, or credit any overpayment to deposit account no. 08-0219.

In the event that an extension of time is required, or which may be required in addition to that requested in a petition for an extension of time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to deposit account no. 08-0219.

Respectfully submitted,

Wilmer Cutler Pickering Hale and Dorr LLP
